Report of SWAYAM Registration

SWAYAM has been developed cooperatively by MHRD (Ministry of Human Resource Development) and AICTE (All India Council for Technical Education) with the help of Microsoft and is equipped for facilitating 2,000 courses. The platform offers free access to everyone and hosts courses from class 9 till post-graduation. It enables professors and faculty of centrally funded institutes like IITs, IIMs, IISERs, etc. to teach students.

All the courses offered by SWAYAM are recognized by the government of India. All the courses are valid in the country and also, UGC has announced a “Credit Framework for Online Learning Courses through SWAYAM” Regulations, 2016 in the Gazette of India on July 19, 2016 where credit transfer for SWAYAM courses is defined. The UGC regulation requires Universities to make changes in their rules and regulation to incorporate provision for credit mobility and MOOC courses under the SWAYAM platform. The certificates of degrees and diploma will be given on clearing the criteria of course taken and that certificate will be a credit mobility for academic credits. The current guideline of UGC constrains just 20 percent of the courses for a degree-level program.

Our College has submitted request Letter on dated 12th July 2019 for establishing SWAYAM-NPTEL Local Chapter in the College. College has received acknowledgement letter on dated 15th July 2019. College has appointed Mr. Pritam Apparao Mule (Assistant Professor) as a SPOC (Single Point of Contact) for future correspondence related to NPTEL contents and Online Courses and circulate the information of latest NPTEL initiatives among the college students.
