15.Multidisciplinary / interdisciplinary	

The Vision of National Education Policy, to provide high quality education to develop human resources in our nation as global citizens, is well taken by the university. A discussion among the faculty members were initiated on the key principles of NEP such as diversity for all curriculum and pedagogy with technological innovations in teaching and learning, encouraging logical decision making and innovation, critical thinking and creativity. In view of the NEP, affiliating university is preparing new interdisciplinary center integrating different disciplines. Academic Programmes are being redesigned to include Multidisciplinary/Interdisciplinary courses as electives. All Programmes are being designed in such a way that students get maximum flexibility to choose elective courses offered. It can be said that the affiliating University is proactively working towards implementation of the suggestions given in the NEP. The College needs to start up incubation center, technological development center, industry academia linkages is the real analysis to attain quality education. The College has always strived for a multidisciplinary approach in its academic as well as co-curricular activities. Currently, affiliating Dr. Babasaheb Ambedkar Marathwada University, Chh.Sambhajinagar is in process of revision of its curriculum for students admitted in session 2024-25 onwards, in which provision will be made to offer minor degrees in the fields other than the parent discipline.

16.Academic bank of credits (ABC):

The College follows a choice-based credit system prescribed by the affiliating University for some of its programmes. Affiliating Dr. Babasaheb Ambedkar Marathwada University, Chh.sambhajinagar is now in the process to pass a resolution related to the ABC in the Academic Council. The College has registered in the ABC portal approved by the higher academic bodies. The College preparedness in implementation of Academic Bank of Credits depends upon the guidelines of the affiliated University and Higher Education Department of Maharashtra Government. For this purpose, a centralized database along with the database of the College has been established to digitally store the academic credits earned by the students from various courses so that the credits earned by student previously could be forwarded when the student enters into the program again. We are trying to enroll our students to online courses through National Schemes like SWAYAM, NPTEL etc., and is considering for credits earned against elective courses. Revision of curriculum has been started for year 2022-2023. These revisions are applicable for students admitted in session 2024-25 and onwards. We have

developed a system for executing ABC in true spirit.

17.Skill development:

Skill based short term courses have been designed and conducted by the college. The focus is towards integrated knowledge acquisition and upgrading human skills towards creating a new league of employable youth. All these steps are marching towards the implementation of NEP in the real sense. The College is already conducting the skill courses as designed by affiliating University. Also, under the employability of student in skill courses, the College has already been running courses Soft Skill and Personality Development, yoga etc. College has made MoU with different Skill Development Centers for providing internship Programmes to the students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The College has initiated for learning of all subjects in Indian languages. Programmes including workshops and seminars on line and offline mode are offered to encourage Hindi and Marathi learners and understand the cultural values prepared by the depts of Hindi and Marathi. In order to promote /integrate the local languages, arts and cultures, compulsory activities in the curriculum have been added like literary activities etc. and through discussions/interactions/symposiums etc. in local languages which will fetch extra credit to the student. These changes will also increase the employability percentage For this purpose, a centralized database along with the database of the College is to be established to digitally store the academic credits earned by the students from various courses so that the credits earned by student previously could be forwarded when the student enters into the program again. We are trying to enroll our students to online courses through National Schemes like SWAYAM, NPTEL etc., and is considering for credits earned against elective courses. Revision of curriculum has been started for year 2024-2025. These revisions are applicable for students admitted in session 2024-25 and onwards. The literature like Marathwadyatil Sant Parampara and Marathwadyatil Muktisangram Itihas has been introduced from this year.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

All Programmes across Humanities, Social Sciences and Sciences are offered as outcomes-based education (OBE) which is designed by affiliating University keeping in mind the regional and global requirements. The College has implemented outcome-based education

with clearly stated Programme Outcomes, Programme Specific Outcomes and Course Outcomes. The Course Objectives (COs) are also aligned to the PO philosophy. Program Outcomes and Course Outcomes displayed on our website and prominent places in the departments. All courses are designed with outcomes center on cognit abilities namely Remembering, Understanding, Applying, Analyzing, Evaluating and Creating. Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as entrepreneurial skills so those students contribute proactively to economic, environmental and social well-being of the nation. College, being affiliated with concerned university follows guidelines as and when directed

20.Distance education/online education:

Due to Covid-19 pandemic, educational institutions in the country have increasingly involved in using the digital platforms for engaging classes, conducting conferences and meetings. Keeping aside the negative impact of lack of face-to-face learning, online education has broken the geographical barriers creating interaction of experts and students from distant geographies. Opening up of the economy including that of educational institutions have paved way of adopting hybrid mode of education i.e. online/offline teaching and learning. Faculties are encouraged to offer MOOCs courses at our college which promote the blended learning system of learning. This College is already prepared, especially during COVID-19 pandemic situations and teaching-learning process through different online modes like Google Meet, Google Classroom, Zoom, WhatsApp etc. Departments of College have best practice of Departmental Blogs which impart various video lectures, references, question banks, PPTs, YouTube lectures etc. The College campus is Wi-Fi enabled and hence no obstacle in online education. This College is preparing to make available all such type of e-content material prepared by faculty members to all students through online mode to meet the future challenges. College has successfully imparted all its courses content delivery in online mode during the Pandemic (COVID-19) and also conducted online examinations successfully by using our own team. We are trying to enroll our students to online courses through National Schemes like SWAYAM, NPTEL etc., and is considering for credits earned against elective courses

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

IQAC has taken good initiatives in this regard. Program Outcomes (POs), Program Specific Outcomes (PSOs) and Course Outcomes (COs) are finalized and same are mentioned in prospectus and displayed on web site of Institution as well as in campus.

POs and COs are evaluated in following manner,

1. Two-unit tests and one tutorial assignment are given in each semester. The questions in the unit tests examinations and

assignment is as per COs of respective course. The questions for two internal unit tests and assignments are framed in such a way to cover maximum course outcomes. The final attainment for each COs under direct assessment is calculated by taking average of the COs attainments from Internal Examinations and Assignments.

2. Practical Examination: For practical examination external examiner is appointed for evaluation and based on the evaluation by external examiner outcome is measured in terms of marks.

3. Comprehensive Viva-Voce Examination: For B. A. Program, as per the university guidelines a project are being assigned to students and after completion of project external examiner is appointed for evaluation through viva-voce examination. While B. Sc. and B.Sc. Computer Science, performance in practical exam and Viva-voce is conducted during practical examination.

Indraraj Arts, Commerce and Science College Sillod Alumni

Association is a registered under the Societies Registration Act.

It was formed on July 2019 at Indraraj College sillod Registration

No: MAHA/251/03/03/2020 under Societies Registration Act 1860.

.

The Alumni Association Contribution through various means:-

1. Alumni Interaction: Alumni of Institution give inputs to aspiring students. They are invited at various events; they provide inputs and share their experiences in the college at their work place / business / the work they engaged with.
2. Alumni Meet: Alumni meeting is held twice a year. In this meet the alumni get chance to reconnect with their teachers, staff and old friends. This is the best platform for

networking and sharing new trends and current happenings in the corporate world. These inputs are helpful to academicians for molding the aspiring students.

3. Some Alumni help in coaching students regarding sports.

4. Helps in organizing blood donation camp.

5. Alumni from nearby areas extend their cooperation in organizing extension activities by NSS. In fact our alumni contribute to the inclusion growth of the

institution through moral support, and help the institution in

furnishing the needs of the socially and economically deprived&
